## **IDA Announces Winners of 13<sup>th</sup> Annual Design Competition!**

**(Tuesday, January 31, 2020)** In its 13<sup>th</sup> Annual Edition, the International Design Awards (IDA) received thousands of outstanding design entries submitted by companies and designers from 98 countries. Cutting-edge designs and innovative products from around the world vied for the top prizes in this prestigious award, which, in recent years, has risen to become one of the leading design awards in America.

Entries were submitted in 5 major design categories: Architecture, Interior Design, Graphic Design, Product Design, and Fashion Design. And after much anticipation the jury's selection for this year's prestigious "Design of the Year" awards have been announced in both the professional and student divisions.

The stellar international Jury evaluated the entries based not only on the highest of current design standards and trends, but also seeking out truly visionary designers who would take the creative leap and lead the way into the future.
